

Murfreesboro Youth Orchestra

Parent Volunteer Form

The MYO/PSO Parent Organization is comprised of the parents of every student in both orchestras. They are an essential part in the work of supporting the mission of the orchestra, assisting with numerous activities and events ranging from rehearsals to concerts to special events. Without your assistance, many of the things we need to do would be impossible.

This form enables us to have a better understanding of your skills, talents and abilities. Regardless of your occupation or profession, your leadership and contributions to the orchestras through the Parent Organization are important. We appreciate your involvement and suggestions. For your convenience, we've already checked the "Refreshments" option.
