Dear Danny,

Thank you for contacting me about funding for the arts in the American Recovery and Reinvestment Act of 2009. Hearing from you helps me better represent Middle Tennessee.

Like you, I believe supporting arts organizations and education is vital for the success of our nation's children and attracts millions in tourism dollars to Tennessee annually. That is one of the reasons why I voted for the American Recovery and Reinvestment Act of 2009, which was signed into law by President Obama on February 17. As a member of the Congressional Arts Caucus, I will continue to support funding for the arts as Congress debates how best to remedy the economy.

Again, thank you for writing. Please do not hesitate to call on me in the future should you or your family need assistance.

G

Sincerely,

BART GORDON
